### **Other things to know about Brevard**

The area code for this whole area is 828, but if you're calling from a local phone you don't have to dial it...

Our Wal-Mart isn't 24-hour; it closes at 10pm!

Our Ingles is 24-hour, and they usually have the best gas prices in town.

There's a rock gym downtown but it probably won't be open when you want to go.

Across from camp is the Sherwood Golf Course, where llamas are the caddies one day a week!

Brevard is home to white squirrels. It's illegal to try and kill one, so don't try it in pursuit of a souvenir.

The Whistlestop (just north of camp on 276) is one of the best places to find fresh local produce...

The Transylvania County Library is AWESOME!! Get a card and check books out all summer, or go down on a night off to see FREE BLUEGRASS MUSIC on the lawn
