

## **Summit Leadership Program** ***For 8th and 9th grades***

If you're in 8th or 9th grade, you can apply as an Upper Senior in the Summit Leadership Program during the Three-Week and Four-Week sessions. As Upper Seniors, you are expected to be camp leaders while also enjoying advanced trips and tackling the Upper Senior Challenge. This position will not only give you a chance to lead and learn about the work that goes into making High Rocks outstanding, but it will also be a stepping stone to potentially becoming a camp staff member after this exciting experience.

For 8th and 9th graders, enjoy the full camper experience with added leadership and team-building activities. Alongside the regular camp schedule, you'll engage in activities like the Upper Senior overnight and the Upper Senior Challenge. Plus, you'll have the voluntary opportunity to apprentice in one activity of your choice, giving you a glimpse into the hard work behind the scenes at camp.

If you are interested in participating in this program next summer, it's important that you **send in an application and a letter telling us of your interests and reasons for wanting to return to camp. These letters must be received before September 15th.** You may email these letters to [don@highrocks.com](mailto:don@highrocks.com). This process shows your commitment and responsibility, and we look forward to hearing from you.

Your letter should answer the following questions:

- Why do you want to return to High Rocks as an Upper Senior?
- What have you learned from your previous camp experience?
- In what ways do you plan to contribute to the High Rocks community next summer?
